EDUCATION

B.S. Communication Technology

University of Texas at Arlington - Arlington, TX

2010 - 2016

WORK EXPERIENCE

Web Specialist I

EZLynx /Applied Systems - Lewisville, TX

2021 - PRESENT

- *Present quarterly analytics reports measuring the performance of online efforts for multiple websites.*
- *Coordinating with customers and the web development team on setting up new websites.*
- *Field support related e-mails and phone calls, oversee existing customer websites and answering questions related to local SEO and website performance.*

Web Developer

ClubTec - Irving, TX

2019 - PRESENT

- *Provide website demos and talk to our existing clients that already use our ClubTec products, such as our AR Member Billing software, the benefits of hosting a site thru us so they can provide their members with a way to see and pay their billing statements online.*
- *Provide online web support for our clients using our Content Management System (CMS) to create, edit, or modify pages for their current site whenever they needed assistance.*
- *Provide our clients that didn't have a mobile version of their current site with a fresh mobile responsive interface so their members can utilize the site and other site features on their mobile devices.*
- *Created marketing flyers and send out email blasts explaining the services we can offer to anyone looking to start a site with us.*
